

WELCOME TO SPARK THE HAGUE!

At SPARK we strive to deliver the best every day, our whole concept revolves around our team and passion for the craft. From home-made bitters, all the way to infusing liquors and everything in between, we thrive on being very hands-on in the whole process of bartending.

Please feel free to ask our bartenders for any suggestions or information about your drinks. Creating the ultimate experience means letting go of what once was and embracing our guests' needs, seamlessly incorporating it in our concept.

We as a team get to work with some of the most amazing products, tools and liquors all set up in a beautiful bar. It is a humbling feeling to see how many people put their hearts in this business, and we have nothing but respect and gratitude for those who do.

Welcome to our home, sit back, relax and enjoy the show.
